

# Second Grade Homework

The Week of December 16, 2019

[vistaverdesecondgrade.weebly.com](http://vistaverdesecondgrade.weebly.com)

## Upcoming Events

Our Winter Rotations are this Friday, December 20th! Please look for an email from your Room Parent with more information. Dismissal on Friday is at 1:25!

## Our Learning

Math:

- Recognizing Shapes and their attributes

Social Studies:

- Making a Difference: What are characteristics of a hero?

## Homework

This week, we are reviewing reading, writing and math lessons. This is a wonderful time to play a game together, take a walk and share discussions about nature, or spend time practicing life skills (tying shoes, counting money, telling time on an analog clock). Your child should be reading 20 minutes nightly and practicing their Math Fact Fluency. ST Math is also available for continued math learning.

## Important Information

Friday is Holiday Sweater Day.  
Winter Break is December 23rd through January 10th.  
School resumes January 13th.
